Abstract

The foreshore, seabed, and coastal water, and air space above the water at Port Waikato. This is defined in the RMA and identified by Waikato Regional Council. as the seaward boundary is the outer limits of the territorial sea; the landward boundary is the line of mean high water springs, except that where that line crosses a river, the landward boundary at that point shall be whichever is the lesser of- i) 1 kilometre upstream from the mouth of the river; or ii) The point upstream that is calculated by multiplying the width of the river mouth by 5.

Purpose

To identify the CMA boundary of the Waikato river. This determines which regional plan document to use. Regional Coastal Plan applies to this area. WRC have jurisdiction over this area. Relates to the implementation of the District Plan under the Resource Management Act (1991), and may be subject to various limitations and conditions. These features are presented on the District Plan maps for reference and supporting information.
