Abstract

Concept plans are a Restricted Discretionary Activity and are required to be approved prior to the approval of a resource consent application for subdivision in the two village areas at Onewhero and Pokeno East, defined by this layer.

Purpose

A Concept Plan should be developed to ensure that subdivision and development of land occurs in a way that is integrated and will not adversely affect future village growth opportunities. Relates to the implementation of the District Plan under the Resource Management Act (1991), and may be subject to various limitations and conditions. These features are a spatial representation of the policies and objectives of the Waikato District Plan and indicate where policies, overlays and District Plan rules apply.
