

Landscape Policy Area

Title

Landscape Policy Area

Creator

Waikato District Council

Publisher

Waikato District Council

Description

Polygons identifying areas of outstanding natural landscape. These features determine the shape and form of the land, and are the natural, as opposed to human, components of the landscape character of the district. These outstanding natural features and landscapes are recognised and protected. The extent of this policy layer originated from a Boffa Miskel Landscape study when drafting the current plan. Limitations of the dataset are unknown, further information may be outlined in the report for technical specification.
