Abstract

The Mixed Use Policy Area is an extension of the existing town centre encompassing the area bounded by Saleyard Road and Baird Avenue to the boundary of the Whangamarino Wetland and has an underlying Business Zone. This was developed under the Te Kauwhata Structure Plan. No updates or amendments are intended for this information.

Purpose

To ensure that an integrated approach to development is undertaken to establish a range of activities that suit the area and cater for the expected growth of the village. Without this integrated approach each landowner could develop individually and the expected outcome for the area would not be achieved. Relates to the implementation of the District Plan under the Resource Management Act (1991), and may be subject to various limitations and conditions. These features are a spatial representation of the policies and objectives of the Waikato District Plan and indicate where policies, overlays and District Plan rules apply.
