Abstract

Areas identified as having historic heritage value and subject to district plan rules governing intervention. Derived from cadastral boundaries as part of the structure plan process.

Purpose

Items or areas of heritage value are identified and therefore managed in accordance with the requirements of the District

Plan. Relates to the implementation of the District Plan under the Resource Management Act (1991), and may be subject to various limitations and conditions. These features are a spatial representation of the policies and objectives of the Waikato District Plan and indicate where policies, overlays and District Plan rules apply.
