## Abstract

Polygons identifying potential mineral resources. Created to support the District Plan for informational purpose. This is a dataset derived from various sources and may have limited update cycles. Original Source data is no longer available for reference.

**Purpose**

Shown in relation to policies such as Aggregate Extraction and zones relating to Mining. For Reference only. Relates to the implementation of the District Plan under the Resource Management Act (1991), and may be subject to various limitations and conditions. These features are presented on the District Plan maps for reference and supporting information.
