Abstract

These points identify waahi tapu sites culturally significant to Waikato-Tainui Iwi. These sites were identified in Part 8

(Subpart A) of the Schedule to the Waikato-Tainui Deed of Settlement as being culturally significant to Waikato-Tainui Iwi. The notation of these sites is for information purposes only to alert the public to their location. This notation does not introduce any additional controls nor are the sites subject to any of the rules that relate to Historic Heritage items.

Purpose

To restrict access to a road. Properties separated from a road by a segregation strip cannot access the road via the segregation strip. Relates to the implementation of the District Plan under the Resource Management Act (1991), and may be subject to various limitations and conditions. These features are a spatial representation of the policies and objectives of the Waikato District Plan and indicate where policies, overlays and District Plan rules apply.
