#### Abstract

Contains three established businesses, which have effects that potentially conflict with surrounding activities. Based off the

cadastral boundaries that contain the three businesses that form the layer.

#### Purpose

To protect surrounding properties from noise. These businesses are subject to a variety of noise standards under their resource consents. Special rules for noise have been included in the plan to give all parties, including people receiving the noise, certainty as to the applicable minimum standards. Relates to the implementation of the District Plan under the Resource Management Act (1991), and may be subject to various limitations and conditions. These features are a spatial representation of the policies and objectives of the Waikato District Plan and indicate where policies, overlays and District Plan rules apply.
