Abstract

The layer relates to a strategic agreement between Waikato District Council and Hamilton City Council to transfer land

within the policy area from Waikato District to Hamilton City to allow for future urban expansion. Derived from the strategic land transfer agreement between the Hamilton City and Waikato District Councils. The land transfers are bounded by the Hamilton Bypass.

Purpose

Activities in these areas are subject to the Strategic Agreement between Waikato District Council and Hamilton City Council. To restrict land use development and certain activities to ensure that future conversion to urban use is not impeded by development that might be considered incompatible with that urban use. Relates to the implementation of the District Plan under the Resource Management Act (1991), and may be subject to various limitations and conditions. These features are a spatial representation of the policies and objectives of the Waikato District Plan and indicate where policies, overlays and District Plan rules apply.
