#### Abstract

These areas were determined by Maori Land blocks, in relation to land topography. These areas are of scenic, recreational and cultural significance. These polygons were defined through the Structure planning process.

#### Purpose

Identifies areas requiring special management of landscape and coastal values. Relates to the implementation of the District Plan under the Resource Management Act (1991), and may be subject to various limitations and conditions. These features are a spatial representation of the policies and objectives of the Waikato District Plan and indicate where policies, overlays and District Plan rules apply.
